

Click on Photos+Videos to add your works to our public photo and video galleries.

We welcome all members on our site to submit your original photos and videos to the site and share your world with others online.

Click on **Your Photo Galleries** to see a choice of galleries where you can upload your images. Browse through the gallery by clicking on the gallery title or on **View Gallery**. Add your photo to the gallery by clicking on **Upload Your Photo**. Browse to the photo on your computer and click **Upload**. Fill in the title, description and tags to submit it. Your photo will be placed in a queue for an editor to review and post to the gallery. We will make an effort to post new photos as soon as is possible for our staff.

Posting video is very similar to posting photos. Click on **Photos+Videos**, and navigate to **Your Video Galleries**.

Choose a gallery that fits the theme of your video and click **Upload Video** under the gallery title. As your video uploads, you can fill in title information and details.

Your video will be put in a queue for an editor to review and post as soon as possible.

Don't see a photo or video gallery you'd like? Contact Online Community Manager Amy Nickelson to suggest adding a new gallery, anickelson@northerncoloradocommunications.com, or (970) 352-0211, Ext. 11237.

Once your photos and videos are posted, they are entered for editorial review.

We want to make sure our public photo and video galleries contain content acceptable for all members of the family to view. We will review all public gallery photo and video submissions before they are posted to our site.

Our staff will make every effort to publish these items as soon as possible. Please allow at least 24 hours. If you have submitted content and don't see it on the site after that time period, please call or e-mail Online Community Manager Amy Nickelson with inquiries, anickelson@northerncoloradocommunications.com, or (970) 352-0211, Ext. 11237.
